 <p>Staying on webpages or apps that we need to use for learning</p>	 <p>Keeping our username or password details private and to ourselves</p>	 <p>Protecting our private information online</p>
 <p>Telling our parents how we use technology in our learning</p>	 <p>Telling trusted adults if we see something online that makes us feel uncomfortable</p>	 <p>Learning how to tell if information is made by a human or a computer</p>
