## Message from key groups in our community

---

### Principal's Message

At Our Lady of the Rosary, we place a strong and deliberate focus on three key pillars: Catholic Mission, Learning and Teaching, and Wellbeing. Our deep commitment to our faith and the way we live and express that faith each day is pivotal to the school and community.

Established in the Mercy Tradition, our school community is guided by the values of Respect, Hospitality, Integrity, Compassion, Service and are embedded in everything we do and in the people we strive to be.

As a proud member of Catholic Schools Broken Bay, we continued to engage with the 'Towards 2025' Strategy, further developing and refining our understanding and implementation of system goals and initiatives. In the latter part of the year, Catholic Schools Broken Bay launched their new strategic plan 'Shaping Tomorrow, Together in Faith'. As a school we are committed to enacting this forward-thinking plan to ensure students are supported to grow, thrive and discover their purpose.

A key highlight in our commitment to quality teaching and learning has been the embedding of the Collaborative Coaching framework and process across the school. This initiative supports our teachers through professional dialogue, reflective practice, shared analysis of data and evidence-based classroom strategies—enhancing both teaching excellence and student outcomes.

As we reflect on 2025, we are reminded of all that makes Our Lady of the Rosary such an exceptional school: our strong sense of community, our dedicated staff, our engaged learners and our shared faith.

### Parent Body Message

2025 has been another fantastic year of community, celebration, and connection at OLOR. Our P&F has been proud to support a wide range of events and initiatives that continue to strengthen the bonds within our school community.

A highlight of the year was the School Fair in August, one of our biggest and most loved events. It was a truly wonderful community day, bringing families, staff, and friends together in a vibrant and joyful atmosphere. The fair not only raised valuable funds for the school but also showcased the incredible spirit, generosity, and teamwork of our community. We are deeply grateful to all the volunteers, sponsors, and families who made it such a success.

Throughout the year, we enjoyed much-loved events including the school discos, and special celebrations for Grandparents', Mother's, and Father's Day. Our wellbeing initiatives, including the P&F-sponsored coffee vans, provided opportunities for connection and support among families and staff.

We were also delighted to continue traditions such as the Teachers' Thank You Lunch, generously hosted by Year 3 families, and community events like Gingerbread House Night. These moments of appreciation and togetherness are at the heart of what makes OLOR so special.

Our school garden continued to flourish, with students enjoying hands-on learning as they grew tomatoes, cucumbers, and sunflowers. Meanwhile, our community support programs remained strong, with The Dish providing care for families in need and Class Parent networks fostering stronger connections across year levels. The Men in the Morning gatherings also saw record participation, reflecting growing engagement within our parent community.

Following the fair, we came together at a Thank You Drinks evening to celebrate the many contributions that made the event possible. We also welcomed valuable feedback from families on future initiatives, with ideas such as after-school clubs, coding, Italian, and pottery reflecting the creativity and care within our community.

### **Student Body Message**

In 2025, we were excited to go on camps, excursions and to gala days, We were given opportunities like choir, band, music, art, STEM, athletics carnivals, swimming carnivals, cross country and our beloved End of Year Concert. The Year 5 students went to a leadership camp at Milson Island and Year 6 explored the nation's capital in Canberra. We all enjoyed visits from Music a Viva and Life Education. STEM activities were enjoyed weekly by all students. Each grade put on a special grade assembly highlighting the learning from their classrooms. Our End of the Year Performing Arts Concert was a tribute to colour and music. Stage 3 enjoyed memorable times with their buddies, especially Year 5 helping their buddies celebrate 100 days of Kindergarten and the Year 6 students writing cards for their Year 1 buddies. We love many things about our school and we were very excited to have our Family Fair on again in 2025.

## School Features

---

Our Lady of the Rosary Catholic Primary School Waitara is a Catholic systemic, coeducational, Kindergarten to Year 6 school, located in the Broken Bay Diocese on Sydney's North Shore and part of Hornsby Cathedral Parish. It was established by the Sisters of Mercy in 1898, over 125 years ago.

The school enjoys a positive profile in the community with a reputation for excellence in teaching and learning, excellent facilities and a strong focus on Pastoral Care. We support the acquisition and development of strong literacy and numeracy skills, with additional support provided in classrooms across the Early Years to foster development.

We have an outstanding Creative Arts program with specialist Music and Art teachers and a choir and band ensembles. With over half of our families speaking additional languages at home, we are a very diverse community. Each year we look for opportunities to celebrate the richness of our diversity. Our Stage 3 students develop leadership skills by being buddies across their final two years of primary school. Year 5 students look forward with great excitement to supporting the Kinder students, with this connection continuing as they move to Year 1 and Year 6. Each year, all Year 6 students take on leadership responsibilities across different areas of the school and support teachers in such areas as Mission, Library, Technology, Sustainability, Sport and Art. During 2025, we continued with class representatives being part of the Student Representative Council (SRC). They discuss the school happenings and, after their own class meetings, make suggestions for improvements. We welcome their ideas as we believe it is essential to teach our students to be communicators, collaborators, creative thinkers and problem solvers.

A highlight of the year was our Multicultural Day where students dressed in the national costume or colours of their ancestors. Our End of Year Christmas Carols Concert took us on a journey through the Catholic story of Christmas through song and dance and the students enjoyed dressing up to perform on the Light of Christ Centre stage.

Our Transition to Kindergarten program saw us run successful playgroup sessions during Term 3 that were very well attended as families and their preschoolers became familiar with our school. During these sessions we integrated music, story and drama as we explored numeracy and literacy concepts as families got to know those who would be in their school cohort. In Term 4 our orientation mornings built on those initial interactions, so our youngest students were very ready for 'big' school.

Catholic Schools Broken Bay (CSBB) strives to respond to the needs of all students, within the constraints of our available resources. We believe all students should have access to our schools which offer educational opportunities that nurture the Catholic faith, expand life choices, cater for the disadvantaged, and challenge all students to reach their full potential. Our schools are explicitly evangelical, catechetical and address (with the support of our parishes and agencies), the faith formation of our school communities. ## Managing Student Non-Attendance

In order for students to reach their full potential it is of paramount importance that they attend school regularly. While it is the parents' legal responsibility under the NSW Education Act (1990) to ensure that their children attend school regularly, our staff as part of their duty of care, monitor all absences and work in partnership with parents to support and promote the regular attendance of students. In doing so, the School, under the leadership of the principal:

- provides a caring environment which fosters a sense of wellbeing and belonging in students
- maintains accurate records of student attendance
- implements policies and procedures to monitor student attendance and to address non-attendance issues as and when they arise
- communicates to parents and students, the School's expectations with regard to student attendance and the consequences of not meeting these expectations
- recognises and rewards excellent and improved student attendance.

School attendance records also contain information regarding student absences including reasons for absence and documentation to substantiate reasons for absences. Teachers are required to monitor non-attendance diligently on a student by student basis and to bring to the attention of the Principal immediately any unexplained absences, non-attendance of a chronic nature, or reasons for non-attendance that cause concern. Matters of concern are referred to the Principal, CSBB and the Department of Education where appropriate.

Where a student is not able to attend school for a prolonged period of time due to a medical condition or illness, the School in collaboration with parents, provides resources to contribute to the student's continuum of learning where possible. CSBB monitors each School's compliance with student attendance and management of non-attendance as part of the system's Quality Assurance and Compliance processes. The School's attendance monitoring procedures are based on the Procedures for the Management of Student Attendance in Catholic Schools Broken Bay.

## Student Performance in Tests and Examinations

### NAPLAN

Students in Years 3, 5, 7 and 9 across Australia participated in the National Assessment Program Literacy and Numeracy (NAPLAN). The purpose of NAPLAN is to provide information to parents and teachers about the achievements of students in literacy and numeracy. The test provides a measure of the student's performance against established standards and against other students in Australia. Each year the results are analysed by the school to inform teaching with a view to improving student performance.

NAPLAN results are reported against proficiency standards with 4 levels of achievement to give teachers, parents and carers clearer information on how students are performing:

- Exceeding: The student's result exceeds expectations at the time of testing.
- Strong: The student's result meets challenging but reasonable expectations at the time of testing.
- Developing: The student's result indicates that they are working towards expectations at the time of testing.
- Needs additional support: The student's result indicates that they are not achieving the learning outcomes expected at the time of testing. They are likely to need additional support to progress satisfactorily.

The percentage of student achieving at Exceeding and Strong proficiency standards in NAPLAN at Our Lady of the Rosary Catholic Primary School for 2025 is reported in the table below.

## Pastoral Care and Student Wellbeing

---

### Pastoral Care Policy

The School's pastoral care and student wellbeing policies, guidelines and procedures are informed by the [Pastoral Care and Student Wellbeing Policy](#). This policy is underpinned by the guiding principles from the National Safe Schools Framework (2013) (NSSF) that represent fundamental beliefs about safe, supportive and respectful school communities. These guiding principles emphasise the importance of student safety and wellbeing as a prerequisite for effective learning in all Catholic school settings. The Pastoral Care and Wellbeing Framework for Learning for the Diocese of Broken Bay Schools System (the Framework') utilises the NSSF ensuring that diocesan systemic schools meet the objectives of the NSSF at the same time as meeting the diocesan vision for pastoral care and wellbeing. Further information about this and other related policies may be obtained from the CSBB website or by contacting CSBB. The policy was revised in 2019 to align with the [Australian Wellbeing Framework \(2018\)](#) for implementation in 2020.

### Behaviour Management and Student Discipline Policy

The School's policies and procedures for the management of student behaviour are aligned to the [Behaviour Support Policy](#). Policies operate within a context that all members of the school community share responsibility to foster, encourage and promote positive behaviour and respectful relationships. The policy aims to promote a safe and supportive learning environment to maximise teaching and learning time for all students. It supports the development of students' pro-social behaviour based on respectful relationships and clear behavioural expectations. The dignity and responsibility of each person is promoted at all times along with positive student behaviours while ensuring the respect for the rights of all students and staff. Further information about this and other related policies may be obtained from the CSBB website or by contacting CSBB. There were no significant changes made to this policy in 2025.

### Anti-Bullying Policy

The School's Anti-Bullying guidelines and procedures are based on and informed by the [Prevention and Management of Student Bullying Policy](#) and is aligned to the Pastoral Care Policy for Diocesan Systemic Schools and other related wellbeing policies and guidelines. All students, their families and employees within Catholic education have a right to a learning and work environment that is free from intimidation, humiliation and hurt. Anti-Bullying policies support school communities to prevent, reduce and respond to bullying. Further

information about this and other related policies may be obtained from the [CSBB website](#) or by contacting CSBB. There were no significant changes made to this policy in 2025.

### **Complaints Handling Policy**

The School follows the [Complaints Management and Resolution Policy](#). A distinctive feature of this policy is to ensure that complaints are addressed in a timely and confidential manner at the lowest appropriate management level in order to prevent minor problems or concerns from escalating. The expectation is that complaints will be brought forward and resolved in a respectful manner, recognising the dignity of each person concerned in the process. The policy recognises that a number of more minor or simple matters can be resolved without recourse to the formal complaint handling process but rather, quickly and simply, by discussion between the appropriate people. Further information about this and other related policies may be obtained from the [CSBB website](#) or by contacting CSBB. There were changes made to this policy in 2025 to reflect new system processes.

## Community Satisfaction

---

The opinions and ideas of parents, students and teachers are valued and sought. Their suggestions are incorporated into planning for and achieving improved outcomes for students. This year, a variety of processes have been used to gain information about the level of satisfaction with the School from parents, students and teachers.

### Parent satisfaction

Each year, parents' opinions are sought through P&F Meetings, Class Parent Meetings, surveys, conversations at enrolment and parent/teacher meetings. Consistent strengths were identified across all forums with mention being made of the importance of the school community in welcoming others and embracing diversity in the spirit of hospitality and respect. They appreciated the strong focus on student achievement, meeting students' individual needs, academic results and the school's commitment to technology and its integration into education. They observed staff as being committed and professional and being approachable and caring in all interactions with families.

Mention is often made of the excellent facilities, green outdoor areas and specialist programs in Art, PE, STEM, Music, Band and Choir. Programs that develop skill, wellbeing and confidence are appreciated and valued. Parents are very involved in all aspects of the school and their input is appreciated and affirmed. There was also tremendous parent support in the running of all the school events across the year, particularly our 2025 Spring Fair.

### Student satisfaction

Student satisfaction information is gathered in class meetings, Principal discussions, Yearbook reflections and surveys. In 2025 our SRC members held their own class meetings and then met twice a term to discuss ideas to improve things at school. They were enthusiastic as they made suggestions about issues that were important to them.

Various incursions such as Music-a-Viva, Motiv8, Infants Sports Day, Surf Education were favourably received. Students thoroughly enjoyed going on excursions and the Stage 3 overnight camps to Narrabeen Sport and Recreation and Canberra were wonderful opportunities for the students as they start to develop independence.
